The Prayer team has toy bears that have been prayed over and are available for anyone to take—for someone that you know could use a symbolic token that they are being prayed for. They are located in the Communication Center, on the table by the windows. There is no cost to anyone ~We ask that you fill out the info on the sign-up sheet when you take a bear—it helps so that we don't have duplicate deliveries. Questions: contact Lois Miller- 585-385-0847. We are FULL - please do not donate any more stuffed animals at this time.

Church Directory Update!!!

We will finally be getting our directories. We anticipate that the directories **will be delivered to the church the last week of September.** *Everyone who had their picture taken for the directory will receive 1 free directory.

Folks attending this church who weren't able to get their pictures in the directory will be able to purchase one directory (we've had to pay for the extras), for \$7.00. We have a sign-up sheet outside the sanctuary for people to request 1 directory to purchase.

Do you wonder how God might use you to bless another?

Sunday School teachers have the opportunity to bless children and families by sharing the good news of Jesus Christ, giving parents the opportunity to attend worship, and helping to lay the foundation of a child's faith! We are eager for you to step up and into the role of Sunday School teacher! Lesson plans, materials, and training provided. For more information, please contact Pastor Wendy @ pastorwendy@umcwebster.org or 585-309-6510.

Homearama Update!

Homearama parking is over! Thanks to the organizers and you folks who did the actual parking - youth, young adults, seniors and anyone in between - our church will benefit by \$4,500. You've made a huge difference! Dave Whitlock wants to thank each and every one involved for all they did. Some volunteers took as many as 7-8 shifts during the event! We endured rain and mud at the beginning, dust and temperatures in the upper 80's at the end. One car buried itself in mud up to its hubcaps. A couple others had to be towed. A couple volunteers even fell in the mud pushing some cars out (that's going above and beyond the job requirement)! Give yourselves a pat on the back. Job well done! A special thanks to Lois Miller, Faith Jones and Roger Boehme for their immense help. And a tip of the hat to Norm Gerber for connecting us to the Home Builders years ago to make this arrangement possible.
